WANTED – storage for a year or two for antique furniture etc currently in 5 large storage crates. As antiques, needs to be stored in house not in a barn. Please contact Nick Dent, 07917 230210, nick.dent@lockelord.com to discuss rates and arrangements.

The Queen's Platinum Jubilee

As you know, to commemorate the Queen's 70 year reign there is to be a 4 day bank holiday weekend from 2nd to 5th June. Some of the Parishes' villages may already have started thinking about how they wish to celebrate but here in Maulds Meaburn, as far as I know, we haven't!! So given that we are now in March, I just wanted to hear from you with any ideas. Do you want to do something, such as a community lunch on the green or at MMVI with an almost fete atmosphere or whatever other ideas do you have. Please contact Sarah Rogers either by email, sarrog@btinternet.com or phone on 715575. Thank you.

Easter Flowers at St Lawrence, Sunday April 17th

For the first time in 10 years, yes 10 years, we will be celebrating Easter at Crosby Ravensworth with an Easter Sunday service conducted by Bishop James Bell at 11.00am.

This is our opportunity to share the joy of Easter by decorating the Church with flowers ready for Easter Sunday. We are looking for both donations of money to buy flowers and volunteers to help decorate the Church.

Perhaps you would like to contribute some money to allow us to buy Lilies in commemoration of a loved one? Mentioned many times in the Bible, the white lily symbolizes purity, rebirth, new beginnings and hope and is most often associated with the resurrection of Jesus Christ as observed on Easter.

Or would you like to learn how to arrange flowers in the Church. We will be creating large stands of flowers plus more modest arrangements for example on the Church windowsills. All, both old and young, are welcome to join in **on Saturday 16th April at 10.00am**

Do let us know if you would like to help with the flowers on Saturday 16th April, or any other time or if you would like to contribute towards the cost of Church flowers.

How you can help:

- Email Jill Winder jillwinder01@gmail.com or Judith Harrison Judith@performconsult.co.uk with offers of help
- Sign up to the list in the Church porch
- Donate money either as cash (box in Church) or via the card reader in Church

I refuse to accept the view that mankind is so tragically bound to the starless midnight of racism and war that the bright daybreak of peace and brotherhood can never become a reality... I believe that unarmed truth and unconditional love will have the final word.

Martin Luther King, Jr.

Our human compassion binds us the one to the other - not in pity or patronizingly, but as human beings who have learnt how to turn our common suffering into hope for the future.

No Time To Die (12A)

James Bond is enjoying a tranquil life in Jamaica after leaving active service. However, his peace is short-lived as his old CIA friend, Felix Leiter, shows up and asks for help. The mission to rescue a kidnapped scientist turns out to be far more treacherous than expected, leading Bond on the trail of a mysterious villain who's armed with a dangerous new technology. No Time to Die gives a very satisfying farewell to Daniel Craig's Bond with all the action and excitement franchise fans expect.

NEWS FROM CROSBY RAVENSWORTH C OF E SCHOOL

Well as you are reading this, the children will be enjoying their well deserved Easter holidays before the start of the Summer term, so we just wanted to update you with some of the events which happened before the end of term.

Unfortunately, we had a few cases of Covid in school and with the increase in cases in the wider community this led to the community Easter Lunch being cancelled. However the children still had fun, taking part in an Easter egg hunt, the Easter Bonnet Competition and the best decorated egg competition.

The planned residential at Hawes End, in Keswick for years 5 and 6 was still able to go ahead. Although the children missed their classmates, they really enjoyed making new friends and engaged in all the activities which ranged from archery, walking up Catbells to canoeing and ghyll-scrambling. They all had lots to tell their parents on their return. There are lots of photos on the school's website and facebook page so please take a look.

We were also pleased to welcome Jane Yates from Cumbria SACRE (Cumbria Standing Advisory Council on Religious Education). She spoke to all the children and introduced them to the idea of 'World Views'. The aim is to get children thinking about things from the point of view of others and promote ideas such as community and compassion which are central to our school philosophy. Other small schools in the county were able to join us by Zoom.

Andi Taylor continued with the art workshop with class 2 and assisted the children with finishing their special project on printing.

The children also carried out some important environmental work by planting some native tree saplings in the field adjoining the northern end of the playground under the guidance of David and Sylvia Evans. The plantation is temporarily shielded by fencing whilst a hedging of hawthorn grows around it but this will provide a shelter belt for animals as well as protection for the saplings as they grow. It is lovely to think the future generations of children will enjoy

visiting this nature area when studying habitats and eco-systems in science lessons.

New after school clubs are planned for after the break but Treasure Hunters this term proved popular. The children were able to have a go with a metal detector and all found 'treasure' ranging from a 1p coin to a watering can head and even a toy car!

Together with our breakfast club this means that we are able to provide wrap around care from 8am to 5pm. If you have, or know of someone who has a child interested in joining our school, then please contact us on 01931 715265 to arrange a special COVID safe visit.

Until next month.....
