OPEN GARDENS 2023: THANK YOU!!

From morning coffee at Maulds Meaburn to over 21 gardens to enjoy in both MM and CR, to Appleby Town Band playing in St Lawrence grounds then up in the Chancel of church due to rain, from where their sound soared right to the back of church really well, we all had a fine day.

Then with the much appreciated Westmorland teas in CRVH, as grand a spread as we have come to enjoy, you helped us raise over £720.

Thank you from the Parochial Church Council, to those who opened their gardens, helped in the Hall, kitchens, provided the delicious food offerings and who attended on the day.

Fundraising events are vital, along with your giving on a personal basis, to keep St Lawrence open, welcoming and functioning.

All money raised stays in Crosby Ravensworth and is used to cover the church running costs including maintenance, insurance, electricity etc

We then, along with the other 10 parishes in our Benefice, pay an annual amount to the Church of England to cover the cost of our new Vicar, Stephen Tudway.

Please note the PCC is always looking for more volunteers to spread the load at fundraising events.

Once again, thank you all.
St Lawrence PCC.

A Message from Katie Rogers.....

Hi everyone. I just wanted to let you know that I managed to complete my fundraising challenge of walking/cycling 150 miles throughout the month of May, raising money through sponsorship for FND Hope UK. This is a charitable organisation which promotes awareness of and support for individuals and carers affected by FND, a condition which I was diagnosed with last October, after first being admitted to hospital in the January, with symptoms.

I actually completed 175.95 miles over the month, mainly walking, both locally and over on the North Yorkshire coast. My last walk of the month was from Flamborough Head to Bridlington and I spotted some seals enjoying the sunshine in one of the coves, not long after I began the walk. Overall, there were some tough days when my symptoms were at their worse stage but I am

so pleased that I was able to complete the challenge and am so grateful for your support, through sponsoring me and your kind words of encouragement.

I am in the process of collecting my sponsorship money in but will have raised a total of £550, which is just amazing. So, THANK YOU. **Katie Rogers (aged 14)**

MAULDS MEABURN VILLAGE INSTITUTE

Hello all,

A huge thank you to all who came to the Italian Bring and Share Gather Inn at the hall in June. We made great use of a wonderfully sunny evening trying out our newly jet-washed 'back patio'. It's work in progress but there are plans to pretty it up. The hall was buzzing with children having fun with the games and Judith enjoyed being in charge of the 'Ice Cream Factory'! We'll do that again!

Many thanks to all who have helped to begin to transform the back patio area. It's a bit like a tv 'garden challenge'. Any extra help will be most welcome and any offers of plants/ bulbs for planters gratefully received. Let's make it a beautiful space to soak up the evening sun and catch up with our friends. (Anything can be dropped off at the hall at any point, I'll find it!)

It was lovely to be able to support the church at the Open Gardens event, hosting coffee in the morning. Many new faces from around the local area popped in for coffee and a chat before heading off to Crosby to view the gardens there and for an amazing Westmorland tea. Sam and I managed a quick trip to Crosby in the afternoon and a sneaky Pimms at the church and to enjoy Appleby Town Band, a real treat.

We have been updating our hire costs for the hall, keeping them as low as we can whilst taking into account our current running costs. Hire rates being available on request. Please send me an email or phone me if you would like details.

Please join us for coffee on Monday 3rd July. It'll be Sam, Sarla and myself hosting. There will be cake...

See you there.

NEWS FROM CROSBY RAVENSWORTH C OF E SCHOOL

We begin this month's update with news that our school has gained the prestigious Artsmark Silver Award from the Arts Council, acknowledging our achievements since 2019 in refreshing our delivery of the arts curriculum. You will hopefully remember our arts evening 'Created to Create' as just one example of the childrens' work. You can read more about this award in our 'Latest News' section on the school's website. Needless to say we are all feeling extremely proud.

The count down to the end of this Summer Term has now begun, starting with our Summer Fair on Saturday 1st July between 10am and 2pm with plenty of stalls including refreshments and there are some amazing prizes to be won in the famous raffle.....have you bought your tickets yet?

The children in class 2 are taking part in the Appleby Sports Event at Appleby Grammar School on the 7th and then all the children will be joining in our very own Sports Day and **Community Picnic Lunch** on 12th July from 12.15pm onwards. Don't forget to bring your picnic blanket. If you would like to join us please ring Pauline on 01931 715265 to let her know. It's £5 per person and from past experience it will be a feast not to be missed.

We are also looking forward to seeing an outdoor performance of Wind in the Willows at Appleby Castle on 11th July.

Ever mindful of our Year 6's leaving us at the end of term to start secondary school in September they have two more transition get togethers planned, with other year 6s, namely a spiritual morning and a musical afternoon. Needless to say, they had a great time at the Outdoors Pursuits transition day at Patterdale last month, trying out a variety of activities.

On 18th July there will be a special Leavers' Service in Church to wish our year 6s well as they move on to secondary school and remind them of their time at Crosby.

We are really going to miss them but hope that they will come back to visit us.

And that's just what Katie did. Having left us in 2019, she is now a year 10 student at QEGS. Katie completed a week's work experience with us last month as she is interested in becoming a teacher. We enjoyed having her and she was a great help in class 1 especially helping the children put together a wall display based on the book, 'The Very Hungry Caterpillar'.

Our last 'Pop in and Play' session before the Summer break is on Monday 17th July. This will be of interest to anyone who has a child aged from birth up to 5 years old, interested in joining our school. It gives you the opportunity to visit our fantastic school and meet the

staff and pupils, whilst taking advantage of our terrific early years provision and your little ones can enjoy fun filled activities. The session runs between 9.30-10.30am. All we ask is that you ring school to let us know that you are coming! Parents must accompany their children who attend. We'd also be grateful if you could help pass on the message to anyone who you think might also like to know.

What with 'Breakfast Club' available from 8am every morning and our range of afterschool clubs, our school is able to provide wrap around care from 8am to 5pm. Please contact us on 01931 715265 to arrange a visit.

Have a great Summer everyone and we'll speak again in September, the start of the new School Year.

A Grand Opening

1-3 September 2023

The Singing Viaduct By Dan Fox & Art In The Open By Jill Brown

This is a free event

In September, when all the works on Smardale Gill Viaduct and the Lime Kilns beyond are complete we, courtesy of Westmorland Dales and Cumbria Wildlife Trust, are co-hosting a wonderful event. There will be an art installation of 20 sound sculptures on top of the 90' high viaduct. Aeolian sound sculptures constantly evolve and change as the wind's movement and intensity varies over time, creating an immersive and ever-changing soundscape that is responsive to the natural environment and provides a magical, unique sensory experience for those who interact with it. Created by Cumbrian artist Dan Fox, director of Sound Intervention based in Ulverston.

Simultaneously we will be showcasing artist Jill Brown's glorious voiles which will also be displayed during the event celebrating the line, the area & its heritage. They look particularly emotive blowing in the wind.

“I went back to Uni in my 50s & this was my final project & got a Distinction. The area is part of my family history & it uses my photography & archive text from newspapers 1860-1900. Some of the villagers might have seen me putting the voiles in the Lyvennet (won't mention the day it nearly blew away!)”

'Our Common Heritage' Exhibition

Appleby Tourist Information Centre

20th June to 17th September 2023

A Westmorland Dales exhibition inspired by oral histories with commoners and representatives of the farming community. The commons are an intrinsic part of our farming heritage and have underpinned the farming economy for centuries. The history of the Westmorland Commons links to the evolution of grazing animals in the area, the rise and fall of specialised breeding stock, droving and agistment, and the labour of tenant farmers working the common from small family farms for hundreds of years. The exhibition will summarise the results of our research into the history of the common land across the Westmorland Dales area, focusing on a range of oral history interviews we have undertaken with commoners and representatives of the farming community. Please check the Appleby Tourist Information website for opening times or the Westmorland Dales Website for further information.

Singing Viaduct Celebration

An Aeolian Sound Experience and Heritage Celebration on Smardale Gill Viaduct.

Friday 1st September to Sunday 3rd from 10am until 4pm each day.

A free Accessible walk through an installation of 20 sound sculptures on top of the 90' high viaduct. Aeolian sound sculptures constantly evolve and change as the wind's movement and intensity varies over time, creating an immersive and ever-changing soundscape that is responsive to the natural environment and provides a magical, unique sensory experience for those who interact with it. Created by Cumbrian artist Dan Fox, director of Sound Intervention based in Ulverston. It's an easy, flat, surfaced gravel path, wheelchair/pushchair

accessible surface from the car park at Smardale to Newbiggin-on-Lune, with ramps at both ends. There are benches at intervals from the car park as far as the limestone quarry. Directions to smardale: <https://www.cumbriawildlifetrust.org.uk/nature-reserves/smardale-gill/directions>

Artist Jill Brown has created a set of voiles which will also be displayed during the event celebrating the line, the area & it's heritage. Reporting a Problem about Roads & Verges

Westmorland and Furness Council is responsible for the maintenance of roads and highway verges. Members of the public can report a fault easily online and add photos via the Westmorland and Furness council's website.
